

The Ultimate
4-Week
Jerusalem Experience

About the Jerusalem Institute of Justice

The Jerusalem Institute of Justice (JIJ) is an Israeli legal and research Institute, dedicated to cultivating and defending human rights, the rule of law and democracy.

JIJ's International Law and Public Diplomacy Department stands at the forefront of Israel's struggle to maintain its standing among the international community.

We use the legal and advocacy tools at our disposal in order to confront the most complex issues.

GDC Israel

What are we offering

JIJ is offering an interdisciplinary program of both educational and practical experience.

GDC Israel provides a holistic approach for young millennials that are interested in deepening their connection to Israel, and developing their professional and personal skills.

Participants acquire the necessary knowledge and tools to achieve a meaningful career while being immersed in the complexities of daily life in Israel
